

## **Green Lies and Scams**

Do you like green lies and scams?

I do not like them, Sam-I-am.  
I do not like green lies and scams.

Would you like them on the TV set?  
Would you like them on the internet?

I do not like them on the TV set.  
I do not like them on the internet.  
I do not like green lies and scams.

Would you like them from a politico?  
Would you like them on the radio?

Not from a politico.  
Not on the radio.  
Not on the TV set.  
Not on the internet.  
I would not like them anywhere.  
I do not like green lies and scams.  
I do not like them, Sam-I-am.
