

King of the Game

(With apologies to Roger Miller's King of the Road)

Politicos for sale or rent
Commissioners to schmooze, rules are bent
No honesty, no ethics, no veracity
I ain't got no integrity
Ah, but...two hours with scheming cronies
Buys a lot of profits for my homies
I'm a man of conscience by no means
King of the Game

Third payoff, midnight swap
Destination...public trough
Old worn-out slogans that are used
I don't worry about the customers abused
I stroke old stooges I have found
Dumb, but easy to lead around
I'm a man of conscience by no means
King of the Game

I know every interest on every gravy train
All their influence and all their games
And every kickback to every clown
And every cover-up to use
When corruption is found

I laugh,
Connections for rent or trade
Multiple profits for what's been paid
No mercy, no justice, no playing fair
I ain't got no morality to spare
Ah, but...twisting the truth
Buys a lot of cost pass-thru
I am man of schemes by all means
King of the Game
